Stats Summary

CEO MESSAGE

Alhamdulillah, we have successfully reached the conclusion of another impactful year at Human Relief International. This year has been marked by meaningful growth, new milestones, and heartfelt service. Through our various initiatives, we have touched the lives of thousands, delivering essential resources while upholding the values of compassion, dignity, and hope. We are inspired by the timeless teachings of Prophet Muhammad ﷺ, who reminded us that even the smallest act of kindness can carry immense reward — even something as simple as a smile. Human Relief International may have started as a humble initiative, but it continues to grow into a powerful force for good in communities across the globe. As we look ahead, we are filled with renewed energy and purpose. The coming year brings new opportunities to deepen our impact, expand our reach, and uplift more lives, Insha'Allah. We are sincerely grateful for your trust, generosity, and continued support. Together, we can move forward with hope and determination, building a brighter, more compassionate future for all.

VISION & MISSION

VISION

Our vision at HRI is to transform the world for the better. We aim to achieve this by channeling the expertise and talents of resourceful individuals, combined with innovative technologies, directly to those who need it most. We focus on building a strong network of support from both individuals and communities for our humanitarian relief programs, meticulously monitoring their progress to ensure lasting impact.

MISSION

At Human Relief International (HRI), our mission is to drive positive change by tackling the intertwined challenges of health, education, and support for vulnerable populations, including widows, orphans, individuals with disabilities, and those experiencing poverty. We're committed to empowering communities through simple, yet highly effective solutions.

ABOUT HRI:

Since its establishment in 2020, Human Relief International (HRI) has been a dedicated force for positive change, extending its compassionate reach across the globe. Headquartered in **New York, USA**, HRI has just completed another impactful year of humanitarian service, with significant projects undertaken between June 2024 to July 2025.

Over the past year, HRI has executed critical projects across 11 countries, addressing urgent needs and fostering sustainable development. Our work has impacted lives in:

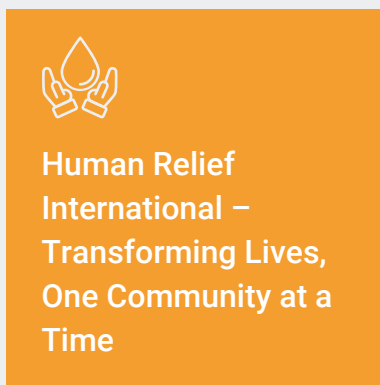

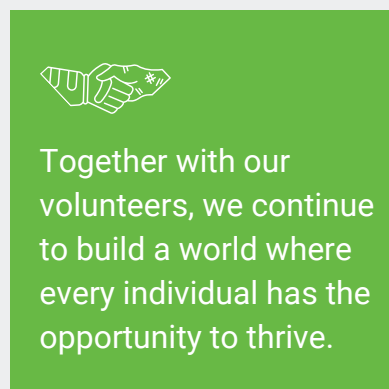

- **Pakistan** – Tailored interventions to support local communities through healthcare, education, and disaster relief.
- **Morocco, Bangladesh, Chad, Yemen, Uganda, Sri Lanka, Nepal** – Emergency aid, food security, and infrastructure development in underdeveloped regions.
- **UK, Italy, USA (New York)** – Local community support, refugee assistance, and crisis response programs.

Each initiative reflects our commitment to dignity, resilience, and hope, ensuring no community is left behind.

A Year of Action, A Future of Possibility

As we look ahead, HRI remains steadfast in its mission to alleviate suffering and empower communities through strategic, compassionate action.

OVERVIEW OF ACTIVITIES:

Hunger Prevention Program:

- Successfully carried out the Hunger Prevention Program in Manchester, UK, distributing food packages to low-income families and individuals in need.

- Operated the Free Friday Kitchen across multiple neighborhoods in Brooklyn, New York, serving hot meals to underserved populations.

- Provided free food packages to refugee families residing in Brooklyn, ensuring they had access to essential nourishment and support.

OVERVIEW OF ACTIVITIES:

Marriage of Needy Girls:

- Human Relief International (HRI) proudly facilitates the marriages of needy girls, ensuring they are conducted with dignity and pride.
- We cover all major expenses associated with the wedding, easing the financial burden on families who otherwise struggle to afford such a milestone.
- This support includes the cost of food and arrangements for guests, allowing families to celebrate their daughters' new beginnings without stress or hardship.

Taj Bibi Sewing Center (Taj Bibi Salaee Center)

- The program is designed to help women—particularly widows and girls from low-income families build a sustainable source of income.
- Hands-on instruction ensures participants gain real-world experience that they can apply immediately.
- To improve and polish the skill of cutting, sewing and designing of clothes.
- By supporting these women, we're helping entire families and communities move toward stability and self-reliance.

OVERVIEW OF ACTIVITIES:

Ramadan Packages:

- Each year, Human Relief International distributes Ramadan food packages to families in need around the world.
- Distribution locations include rural areas in Pakistan and urban communities in Brooklyn, New York.
- Our goal is to help families break their fasts with dignity, without the stress of food insecurity.
- The packages contain essential items such as rice, lentils, flour, oil, and dates.
- This initiative ensures that deserving families can observe the holy month with peace and nourishment.

OVERVIEW OF ACTIVITIES:

Disaster Management:

- Provided assistance to earthquake victims in Morocco, offering crucial support during a time of crisis.
- We delivered emergency supplies, including food packages, medical assistance, and shelter materials, helping families navigate the immediate aftermath of the disaster.
- In addition to basic relief, we distributed school supplies and books to students impacted by the earthquake, ensuring their education could continue despite the disruption.

Winter Relief and Clothing Distribution:

- During the winter season, Human Relief International (HRI) carried out targeted relief efforts to protect vulnerable individuals from the cold.
- In Lala Musa and Sindh, Pakistan we conducted a Winter Drive Project, distributing warm blankets to widows and orphans in local madrasas.
- Additionally, we extended our support to earthquake-affected communities in Morocco, providing blankets to families who were left exposed to the elements after the disaster.

OVERVIEW OF ACTIVITIES:

Financial Support for Widows:

- We provide regular assistance to help meet their essential needs, including food, shelter, and healthcare, allowing them to live with dignity and security.
- In response to natural disasters, such as the devastating floods in Pakistan, we also extended housing support, helping widows rebuild homes that were destroyed—restoring not only their physical spaces but their sense of hope and stability.

Wheelchairs for differently abled people:

- This initiative is designed to enhance mobility, independence, and dignity for those who face physical challenges in their daily lives.
- Each wheelchair is carefully selected and adjusted to meet the specific needs and comfort of the recipient, ensuring long-term support.
- Through this program, HRI helps individuals participate more fully in their communities and regain control over their mobility.

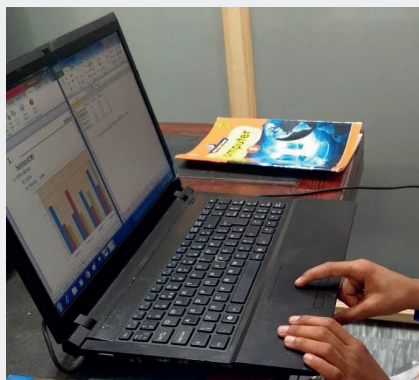

OVERVIEW OF ACTIVITIES:

Human Relief School System:

The Human Relief School System empowers underprivileged children through free, quality education. With dedicated teachers and a supportive environment, we help students grow into confident, capable individuals.

- The Human Relief School System offers free, high-quality education to children of single parents, orphans, and children from marginalized and underserved backgrounds.
- Our schools provide safe and nurturing environments where students can learn, grow, and dream big. We employ experienced teachers and implement a strong, well-rounded curriculum.
- Each and every child we support represents a step toward a brighter, more hopeful future—one student at a time

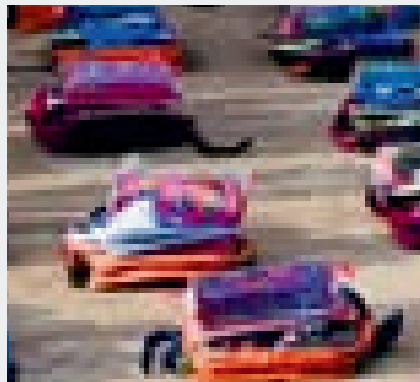

OVERVIEW OF ACTIVITIES:

Scholarships for Orphans and Needy Students:

We're committed to breaking barriers to education by equipping underprivileged students with essential learning tools. From resource distribution in Chad and Morocco to building a full-fledged school in Pakistan, we're creating a lasting impact.

- We provided complimentary educational resources—including books, stationery, and school bags—to orphans and underprivileged students in Chad, Pakistan, and Morocco, ensuring they have the tools they need to succeed in their studies.
- In Pakistan, we went a step further by establishing a complete school dedicated to educating orphaned and vulnerable children.

OVERVIEW OF ACTIVITIES:

Qurbani and Meat Distribution Projects:

- Implemented a Qurbani project, where sacrificial animals were slaughtered according to Islamic tradition.
- Distributed meat to underprivileged communities in Pakistan, ensuring they have access to this protein-rich food source throughout the year.
- Madrasa students often lack protein in their diet due to limited resources. Team HRI addresses this issue by providing them with meat.

Youth Motivation and Empowerment Programs

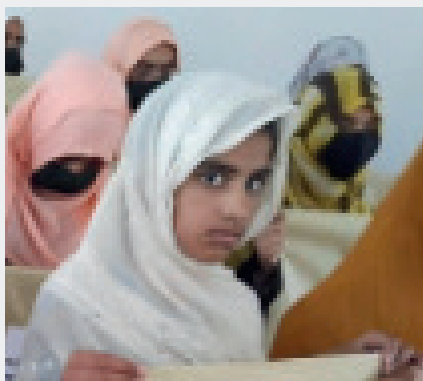

- Hosted a Youth Motivational & Educational Workshop in Brooklyn, New York, focused on personal growth, goal achievement, and self-development.
- We plan to create more training programs and empowerment sessions for young people.
- HRI also intends to offer legal assistance to newly arrived immigrants in New York, helping them understand their rights and navigate the legal system.

OVERVIEW OF ACTIVITIES:

Child Education Sponsorship Program

- Human Relief International (HRI) is committed to providing underprivileged children with access to quality education through its sponsorship program.
- The program offers financial support to help children attend school without the burden of tuition fees.
- Sponsored students receive essential educational supplies, including books, uniforms, and stationery.
- Children are also given the opportunity to participate in extracurricular activities, promoting personal growth and confidence.

OVERVIEW OF ACTIVITIES:

Hand Water Pump Projects

- Human Relief International (HRI) has made a significant achievement in Balochistan, Pakistan. Women in the region no longer have to walk 10 to 15 miles every day to get clean drinkable water.
- HRI has successfully completed 26 handpump projects across the region, delivering clean drinking water directly to the homes of families in need.
- HRI has provided water tanks in Azad Kashmir, further enhancing access to clean water for those communities.

OVERVIEW OF ACTIVITIES:

Free Medical Camp – Kharian

- Human Relief International organized a Medical Camp in Kharian to check the record health needs of underserved communities.
- The initiative was supported by local volunteers and doctors who generously offered their time and expertise.
- Services included free medical consultations, essential medications, and basic health screenings.
- The camp provided critical care to hundreds of individuals who lack access to regular healthcare.
- It served as a vital bridge for those who typically go untreated due to financial hardships or logistical barriers.

LOOKING AHEAD: FUTURE INITIATIVES FOR 2026

As we continue our journey of service, Human Relief International is excited to expand our impact in 2026 with a series of thoughtful and purpose-driven initiatives. Rooted in compassion and guided by community needs, our upcoming efforts aim to bring hope, dignity, and lasting change to the lives we touch.

Qurbani Project

In celebration of Eid-ul-Adha, we plan to carry out our Qurbani Project by distributing fresh meat to families in need across Pakistan. This initiative ensures that even the most vulnerable can enjoy nutritious meals during the festive season.

Expanded Educational Programs

Education remains at the heart of our mission. In 2026, we will broaden our educational efforts by sponsoring orphans and underprivileged children—providing school supplies, tuition support, and a nurturing learning environment for a brighter, more empowered future.

Widow and Orphan Sponsorship

We are committed to continuing our comprehensive care for widows and orphans through monthly sponsorships. This support includes food, healthcare, education, and emotional well-being helping them live with dignity and stability.

Free Friday Kitchen – New York

Every Friday, we will continue to serve hot, nourishing meals through our Free Friday Kitchen program in New York. This weekly initiative not only addresses food insecurity but also fosters a sense of community, connection, and compassion among those we serve.

Clean Water Access – Hand Water Pumps

Access to clean water is life-changing. In 2026, we plan to install additional hand water pumps in remote villages of Pakistan, helping more families gain direct access to safe and drinkable water—reducing waterborne illnesses and daily hardships.

LOOKING AHEAD: FUTURE INITIATIVES FOR 2026

Eye Restoration Program

Looking ahead, we plan to launch our Eye Restoration Program—offering vital eye care services and surgeries to individuals suffering from preventable blindness and vision impairments. Through this initiative, we hope to restore not only sight, but independence and hope.

Expanded Educational Programs

We're expanding our educational programs to offer wider access to learning, skill-building, and vocational training—empowering individuals to grow, pursue their goals, and positively impact their communities.

ACKNOWLEDGMENTS:

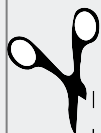

Human Relief International (HRI) extends its deepest gratitude to all our donors, volunteers, and partners whose unwavering support has made our mission possible. Every contribution—whether through time, resources, or expertise—has helped us bring hope, dignity, and tangible change to communities in need across the globe.

Your generosity fuels our ability to respond swiftly to crises, empower vulnerable families, and create sustainable programs that break the cycle of poverty. Together, we have touched countless lives, turning compassion into action and dreams into reality.

We look forward to continuing this journey—hand in hand, heart to heart—as we work toward building a more just, compassionate, and inclusive world for all. With your continued trust and commitment, we believe there are no limits to the impact we can achieve.

Together, we are turning compassion into lasting change for humanity. From all of us at HRI, thank you for being the driving force behind our work.
